

LP Golden Jubilee!

Who will recruit NeoCLEAR's 50th participant?

Edible prizes will be sent to the site that recruits our 50th participant.

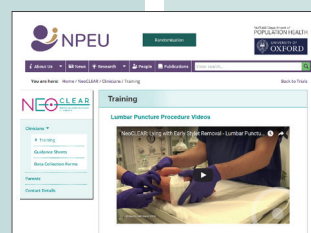

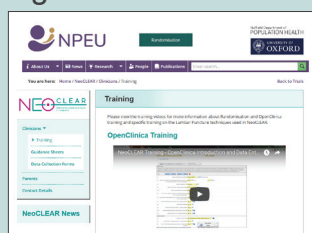

Congratulations...

... to all of our recruiting sites for storming ahead of expectations. In just 2½ months we have recruited 49 participants into NeoCLEAR.

Thank you...

... for your patience with us as we work through teething problems with the database.

Make sure to check out the NeoCLEAR website for training videos, updates and current recruitment figures.

Hop on board the NeoCLEAR Train(ing)

We (Alex, Rachel and the twins!) have had great fun travelling around the country for set-up and training visits. If anyone has missed out on our tour, give us a call to arrange your training visit with Terry and Fergus, the LP mannequins.
